QUEST FOR PEACE

"War for Peace" has become the unjust slogan of many tyrants and oppressors on this earth. True Peace seems to elude humankind.

Entertainment and Corporate Media does not provide the peace it proclaims. It has in reality made the people more fearful, hateful, violent and greedy. Escapism from faith in God, humane values and good deeds is their refuge.

Islam means "Peace" – internal and external. It is essential, therefore, to know, practice and propagate Islam to attain peace in this life and the hereafter.

MEDIA AND ISLAM

Islam, today, is the most misunderstood religion. It bears the brunt of misconceptions and hate propaganda.

The powerful mass media, aligned to deceitful political and corporate interests, spreads these misconceptions virulently... worldwide.
